Academic & Research Employment

Education Development Center (May – December 2025)

- Research assistant (Contract) to The Learning Generation Initiative by EDC;
 - o **Conducting quantitative analyses (impact evaluation)** for the project
 - “High Touch, High Tech” Philippines Baseline and Final Report
 - “High Touch, High Tech” Cambodia Baseline and Final Report

University of New South Wales (June 2023 – present)

- Research assistant (Casual)

- Conducting **quantitative analysis** for the project: 520261887766328 - Best Practice in Screen Use for Education
- Marking papers and providing feedback for **EDST5448 Final Assessment** for Terms 2 & 3, 2024; Term 3, 2025 (**32 hours**); and Term 1, 2026 (**32 hours**)
- Conducting quantitative analysis for
- **Project ID:** 18877
RE: 520261887766328 - Best Practice in Screen Use for Education
- Assisting in the management of the research process including designing the study protocol, collecting data, analysing human responses, and preparing the manuscript for publication.
 - Project title: HC230148 - AI in Education: Increasing University Students' AI Literacy in Processing AI-Generated Information (Dr Lewen Wei; Prof Jihyun Lee)
- Conducting **literature review for a report** submitted to the Australian Government Department of Education
 - Project title: Impact of artificial intelligence on the wellbeing of students and young people (Prof Jihyun Lee, UNSW; Prof Matt Bower, Macquarie University)
- Conducting **propensity scoring matching** for the NSW Department of Education project
 - Project title: Educational Pathways Program Evaluation (DOE02759/21) (Ilan Katz, Hazel Blunden, Gianfranco Giuntoli, Jihyun Lee, Jen Skattebol) \$429,684.75
 - Project detail: NSW Department of Education [2022-2024].
- Conducting **quantitative analysis** (i.e., data cleaning, CFA, multiple regression) for Australia Technologies Teacher Educators
 - Project title: Evaluating Preparedness for the Australian Digital Technologies Curriculum: An Investigation into Teachers' Confidence, Skills, and Beliefs
- Conducting **quantitative analysis** (i.e., data cleaning, , EFA, CFA) for the Queensland Engagement and Wellbeing Accessibility Survey **2023 Round** and **2024 Round**
 - Project detail: Development of accessible versions of the Queensland engagement and wellbeing survey. Performance Monitoring and Reporting, Strategy and Performance, Queensland Department of Education (Iva Strnadová, Dennis Alonzo,
- Conducting **systematic literature reviews** for UNSW School of Education:
 - Project title: Principals' Data Literacy (Prof Jihyun Lee, Dennis Alonzo, Kim Beswick)
 - Project title: Teacher Data Literacy (Prof Jihyun Lee, Dennis Alonzo, Kim Beswick)

LifeCollege, Inc. (November 2006 – present)

- **Vice President for Operations & Research**, June 2022 to present
- School Principal, 2016 – 2022
- Global Citizenship Class (GCC) Coordinator, 2008-2020; 2023 – Study tour in Thailand, Cambodia, Vietnam, Malaysia, Singapore, New Zealand, and Australia participated by almost **500** students and teachers since 2008
- Teacher/Instructor (English, Social Studies, Social Science Research), 2006 – 2022

Education Development Trust, UK (July - August 2019)

- Research Consultant: Transcribed and analysed qualitative data on the Literacy and Numeracy Coaching Programme in Brunei.

Biodiversity positive mining for the net zero challenge (Bio+Mine)

- A collaborative project between the Natural History Museum (NHM), De La Salle University (DLSU), Imperial College London (ICL), Mindanao State University – Iligan Institute of Technology (MSU-IIT), and University of New South Wales Sydney (UNSW) funded Department of Environment, Food, and Rural Affairs, UK Government (September 2022 – May 2023)
- Research consultant, part-time: Conducted 2 systematic reviews (PRISMA)

Conference presentations

2024 institute of Technology Education (iTE) Technology Education Conference

- Abstract title: Exploring evidence to provide Predictors and Outcomes of TK, TPK, and TPACK within the TPACK Framework

AARE Conference 2024, Sydney, Australia

- Abstract title: Examining cross-country compatibility of TK, TPK, and TPACK within the TPACK Framework: Evidence from PISA 2018 & 2022

BERA Conference and WERA Focal Meeting 2024, Manchester, UK

- Abstract title: Examining cross-country compatibility of TPACK: Evidence from PISA 2018 & 2022

AERA Conference 2024, Philadelphia, USA

- Abstract title: Relationships between teachers' pedagogical and technical knowledge: Evidence from PISA 2018 Teacher Questionnaire Data

AARE Conference 2023, Melbourne, Australia

- Abstract title: The Influence of Students' Perception of their Teachers' Practices and their Reading Skills amongst Southeast-Asian Countries: Lesson from 2018 PISA Results

British Association for International and Comparative Education (BAICE) ECR 2023

- Abstract title: How competitiveness matters for students: Trait and perceived competitiveness in high- and low-performing contexts using PISA 2018 Data

Research Grants

Principal Investigator, Woven Networks Implementation Grants Phase 2. British Council and Forest Foundation of the Philippines. April – July 2023 (£9,200) Project website: <https://karubwatan.cargo.site>

Principal Investigator, Sustainable and innovative weaving practices, processes and networks among Tagbanua Indigenous weavers in Aborlan, Palawan. British Council and Forest Foundation of the Philippines - Woven Networks Scoping Grant. March – July 2022 (£4,320)

Advanced quantitative skills

• **Advanced skills in R:**

- Data processing and manipulation, descriptive statistics; cross-tabulations and plausible value means; perform linear and logistic regressions; sampling design, weights and variance estimation; data visualisation, summary statistics, regression (linear, logistic, quantile), other analysis: percentile, achievement-level, gaps.
- Principles of **SEM** (model specification, identification, estimation, and evaluation); measurement models and exploratory/confirmatory factor analysis (**EFA/CFA**); Measurement invariance testing with few and many groups (e.g., multi-group CFA, multilevel CFA); and structural regression and indirect effects models (e.g., multi-group and multilevel SEM).

• **Advanced skills in STATA:**

- Data cleaning & management, plausible values and multiple imputations, maximum likelihood, item response theory - graded response modelling (GRM)/ differential item functioning (DIF), regression (linear, logistic, multiple, multilevel modelling, quantile), factor analyses, structural equation modelling (SEM).

Theses & Dissertations

Abril, J. (2025). Teachers' Technological Pedagogical Content Knowledge (TPACK): Evidence from PISA 2018 and PISA 2022

Supervisors: Professor Jihyun Lee & Dr. Dennis Alonzo – Educational Psychology & Measurement; Assessment & Evaluation

Abril, J. (2019). Initial validation of non-cognitive skills scales in the Philippines using IRT Graded Response Modelling. University College London Institute of Education

Supervisor: Dr. Caine Rolleston -- Education and International Development

Abril, J. (2015). An exploratory study on how teachers across selected ASEAN countries educate for Global Citizenship. Palawan State University
